

# FINDING THE MENU

## YOUR DEVICE'S SCREEN SIZE DETERMINES WHAT THE MENU LOOKS LIKE

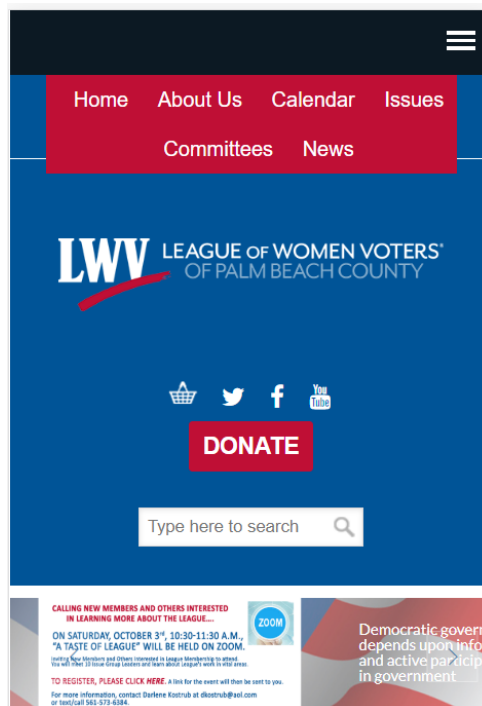

When you visit the League site, you may notice a difference in how the menu looks when you are using your mobile phone or tablet. Sometimes you may see a different menu on your laptop or desktop when you zoom in and change your screen size. Here's a quick guide to help you find the menu and learn to use the mobile menu.

**There are 2 menus: one for public pages and another for membership pages.**

Here is a screenshot of the regular horizontal menus that most laptops and desktops will display:

Here is a screenshot with the mobile 'hamburger' menu that most mobile phones and tablets will display: (the public menu is displayed in red and the membership menu is in the 'hamburger' menu)

Look at the upper right for the 'hamburger' icon. It looks like this:

- When you click on this icon, a dropdown menu will appear.
- You can tap or click on the menu headings to navigate to that page.
- Click on the **X** to close this menu.
