

Our **Voting Rights Coalition** is made up of the Palm Beach County chapters of the League of Women Voters, American Civil Liberties Union, National Council of Jewish Women and concerned individuals from across Florida. *We are guided by League Policy: The League of Women Voters of the United States believes that voting is a fundamental citizen right that must be guaranteed.*

Focus: The Voting Rights Coalition works on many fronts to protect voting rights for all citizens. During election season, Election Protection is our primary objective.

Election Protection 866-OUR-VOTE: We recruit, train and support nonpartisan poll monitors to assist voters with answers to questions and to ensure they are able to vote in a safe, comfortable environment.

Educate citizens: We study issues by bringing in experts in the field. We educate Floridians about voting rights and good governance issues in Florida and nationally.

Support passage of the Freedom to Vote: John R Lewis Act, Electoral Count Reform and other pro voting rights legislation that arises in the U.S. Congress.

Combat Voter Suppression. We study, educate, and advocate to eliminate policies and laws that limit access to voting.

2022-2023 GOALS

*Promote and manage a vigorous Election Protection effort with field and social media election monitors.

*Support national voting rights bills and combat voter suppressive bills

*Support Fair Districts
